What did you appreciate most about this class?

N/A

.

I appreciated how the TA was patient while assisting me during Office Hours. He applied new ideas to his words while lecturing me to ensure that I processed the material. During the weekly discussions, he reinforced main points that were significant for exams while frequently perfecting his work or checking for possible errors to avoid giving incorrect answers to students.

N/A

His small comedy, very engaging during discussions

Is there anything you would like to see the TA do to improve his/her teaching?

Explain more thoroughly

.

The TA should give more real-life examples and teach complicated topics more slowly to help boost students' energy during class.
