What did you appreciate most about this class?

The discussion section is helpful, and Dio presents the materials in a clear manner. Dio is also willing to answer questions and he responds to email promptly.

Everything good

Is there anything you would like to see the TA do to improve his/her teaching?

TAs were great, did what they could with the professor as she was.

No, I think Dio has already done a decent job in the discussion section, and he explains things really well.

No
